

Jenni Mosello - Run to the hills

Tom: **A**

Bm
Today I woke up dreaming
D
Of a woman I've never been
A
I thought to myself
Gb
If deep in my chest it's real

Bm
Her eyes weren't so scared
D
Her life seemed much more fair
A
And all that she cared for
Gb
Was a smile and a good meal

Bm
What if the world wouldn't care about no stupid deals
A
What if our lives are easier than it feels
E
And if you could do whatever you wanna do
Gb
Would you?

Bm
Run to the hills
A
Run to the hills
E
Run to the hills
Gb **Bm**
Run to the hills, wouldn't you run?

Bm
What if it's all unreal
D
And I'm hiding from myself and why
A
Am I losing all my time
Gb
All my time in vain

Bm

Money it's funny how it goes away making my people mad
D
Models getting thinner making everybody feel so bad
A
People will hurt you label and desert you
Gb
Doesn't have to be

Bm
What if the world wouldn't care about no stupid deals
A
What if our lives are easier than it feels
E
And if you could do whatever you wanna do
Gb
Would you

Bm
Run to the hills
A
Run to the hills
E
Run to the hills
Gb **Bm**
Run to the hills, wouldn't you run?

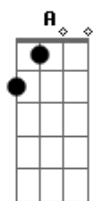

Bm
Would you run
A
Would you run
E
Would you run
Gb
Would you run

Would you would you would you?

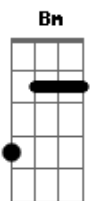

Bm
Run to the hills
A
Run to the hills
E
Run to the hills
Gb
Run to the hills

Bm
Wouldn't you run?
