

## Jennie Lena - Shine

```
tom:
               Gb
Intro: E B
                                                                   Abm
               Gb B
Everytime I try to make a move you say don?t
                         Gb
                                  Dbm
And when I tell you how I feel you jump right down my throat
                                                               Dbm
Abm Gb B
Everytime you said jump I asked how high
Abm Gb Dbm
                                                            Ooo you don?t
                                                                 Ε
Now I know that the limit is beyond the sky
                                                             Abm
          Gb B
Why you try to stop me in all I do
           Gb Dbm
                                                            Dbm E
  Abm
My dreams are too big baby, yeah my dreams are too big baby
                                Gb
                                                                 Abm
I didn?t see it at first, you tried to close every door
                                                             Gb B
So now I?m looking for more
  Dbm
Ooo you don?t
    Е
Don?t you dim my light, no
                                                              Dbm
                                                            Ooo you don?t
 Abm
Imma Imma shine so bright so
You could never fade me out
Dbm
Don?t you dim my light
                                                                 Gb
Cuz Imma gonna let it shine like gold, don?t you know
Gb B
Imma shine like gold, oooh-woo-wow
                                                                 Abm
               Gb
                   В
You?ve been trying to steal whats really mine
                     Dbm
You said I?d never add up to nothing, now look at me flying
                                                            ( Dbm Abm E B )
( Dbm Abm Dbm )
            Gb B
```

```
I used to have the small town blues baby now they?re gone
   Abm Gb Dbm
If you rain on my parade now, Imma put my raincoat on
                                   Gb
I didn?t see it at first, you tried to close every door
So now I?m looking for more
Don?t you dim my light, no
Imma Imma shine so bright so
You could never fade me out
Don?t you dim my light
Cuz Imma gonna let it shine like gold, don?t you know
Imma shine like gold, oooh-woo-wow
( Dbm Abm E B )
( Dbm Abm E Gb )
Don?t you dim my light, no
Imma Imma shine so bright so
You could never fade me out
Don?t you dim my light
Cuz Imma gonna let it shine like gold, don?t you know
Imma shine like gold, oooh-woo-wow
```
