

Jennifer Hudson - One Night Only

Tom: D

You want all my love and my devotion
 You want my loving so, right on the line
 I had no doubts that I could love you, forever
 The only trouble is, you really don't have the time

 You've got one night only, one night only
 That's all we have to spare
 One night only, lets not pretend to care
 One night only, one night only come on big baby come on
 One night only, we only have 'till dawn

In the morning this feeling will be gone
 Has no chance going on
 Something so right has got no chance to live
 So lets forget about chances, Its one night I will give

 One night only, one night only you'll be the only one
 One night only, then you'll have to run
 One night only, one night only there's nothing more I say
 One night only, once get in the way

 One night only, one night only, one night only
