

Jennifer O'Connor - Hidden Hill

tom:
Capostrate na 5ª casa
Intro: C

[Primeira Parte]

The pond was frozen
We walked out on it
The days never ended
Like movies on television
We were suspended up in the air
We felt like children but we didn't care

[Refrão]

I know a place where the time stands still
Everything exactly as it seems
Meet me on top of that hidden hill
We'll live together in our dreams

[Segunda Parte]

We built an igloo at the end of the a cold streak
An army of snowmen surrounding our icy fortress
I was a captain commanding my time
We were a family falling in line

[Refrão]

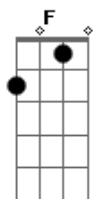

I know a place where the time stands still
Everything exactly as it seems
Meet me on top of that hidden hill
We'll live together in our dreams

[Solo]
Am G F G

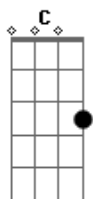

[Refrão]

I know a place where the time stands still
Everything exactly as it seems
Meet me on top of that hidden hill
We'll live together in our dreams
