Jesus, liberta-nos agora (2 X)

                          A
We wait upon you, Lord
                          Gbm
We wait for your awsome power
                       E
To fill this room
                   D
As we worship you

                          A
We wait upon you, Lord
                          Gbm
We wait for the freedom That you bring
                     E
To change our lives
                        D
As we praise your name

Again and again
