All the bitter weary ways

Endless striving day by day

How deep the pain within

Wounds that no one else has seen

He knows, he knows  
Dbm  
Every hurt and every sting  
E  
He has walked the suffering  
E  
He knows, he knows

Let your burdens come undone  
E  
Lift your eyes up to the one

Who knows

The chains of doubt that held you in between
