Tom: E

Arranjo:

(intro) E E E E

(parte 1) (Arranjo)

You want to be real you want to be empty inside
 You want to be someone laying down your pride
 You want to be someone someday
 Then lay it all down before the king

(parte 2) (Arranjo)

You want to be whole you want to have purpose inside
 You want to have virtue and purify your mind
 You want to be set free today then lay it all down before
 The king

(refrão)

This is my desire this is my return this is my desire
 To be used by you

(parte 3) (Arranjo)

You want to be real you want to be emptied inside

And i know my heart is to feel you near
 And i know my life it's to do your will
 It's to do your will

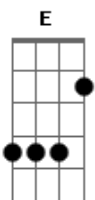

(refrão)

This is my desire this is my return this is my desire
 To be used by you
 This is my desire this is my desire
 To be used by you

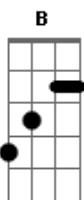

(final)

All my life i have seen where you've taken me
 Beyond all i have hoped and there's more left unseen
 There's not much i can do to repay all you've done
 So i give my hands to use
 This is my desire this is my return this is my desire
 To be used by you
 This is my desire this is my desire
 To be used by you
