

# Jeremy Loops - Down South

Tom: **Gb**

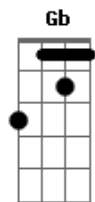

I didn't want to leave you down south  
**Ebm Gb Db**  
**Gb** F#sus4  
 When I said that I will call you, squeeze you a little bit of love  
**Ebm Db**  
 I didn't want to but it's good to see you  
**Gb F#sus4 Gb**  
 Tell me how you're doing  
**Ebm Db**  
 I didn't want to leave you down south  
**Gb F#sus4**  
**Gb**  
 When I said that I will call you, squeeze you a little bit of love  
**Ebm Db**  
 I didn't want to  
**Gb F#sus4 Gb**  
 Anyway  
**Ebm Db**  
 And in the light of day  
**Gb**  
 I didn't notice  
**Ebm Db**  
 And everything she was  
**Gb**  
 I didn't show this  
**Ebm Db**  
 And in the light of day  
**Gb**  
 I didn't know you  
**Ebm Db**  
 But I wanted you to stay and I didn't wanna go  
**Gb**  
 I wouldn't take it away from you, no no  
**Ebm Db**  
 I didn't want to leave you down south  
**Gb F#sus4**  
**Gb**  
 When I said that I will call you, squeeze you a little bit of love  
**Ebm Db**  
 I didn't want to but it's good to see you  
**Gb F#sus4 Gb**  
 Tell me how you're doing  
**Ebm Db**  
 I didn't want to leave you down south  
**Gb F#sus4**  
**Gb**  
 When I said that I will call you, squeeze you a little bit of love  
**Ebm Db**  
 I didn't want to  
**Gb F#sus4 Gb**  
 Anyway  
 [Motheo Moleko]  
**Ebm Db Gb**  
 I could of told you I was shining  
 You wanted to hear it, eyes  
 I'm seeing it all clear  
 You seem to be surprised  
 Remember how we say  
 Someday we'll set sail  
 It took me so much, to get to where we are  
 And right now you are  
 Slowing me down down, slowing me down down  
 Trying to get up, you supposed to hold me down  
 It's different, ambiguous it may seem  
 The light shines in the dark  
 I couldn't see  
 And in the light of day

Everything we dreamed, I didn't notice  
 It's how you react, it's the kinda dream  
 (And everything she was I didn't show this)  
 But I'm  
 Tearing up these scenes [x2]  
 Time it waits for no one, it took me  
 Twenty six years to feel this something  
 And I'll be damned if I let it slip away

I didn't want to leave you down south  
**Ebm Db**  
**Gb** F#sus4  
 When I said that I will call you, squeeze you a little bit of love  
**Ebm Db**  
 I didn't want to but it's good to see you  
**Gb F#sus4 Gb**  
 Tell me how you're doing  
**Ebm Db**  
 I didn't want to leave you down south  
**Gb F#sus4**  
**Gb**  
 When I said that I will call you, squeeze you a little bit of love  
**Ebm Db**  
 I didn't want to  
**Gb F#sus4 Gb**  
 Anyway  
**Ebm**  
 I've been lying awake  
**Db**  
 Up all night  
**Gb**  
 On these higher stakes  
**Db**  
 In disguise  
**Ebm Db**  
 I've been dying to wake up and find  
**Gb**  
 I've been low  
**Ebm**  
 In the light of Day  
**Db**  
 With open eyes  
**Gb**  
 In the time it takes  
**Db**  
 To decide  
**Ebm**  
 That I wanted you to stay and  
**Gb**  
 I didn't wanna go  
**Db**  
 I wouldn't take it away from you no no  
**Ebm Db**  
 I didn't want to leave you down south  
**Gb F#sus4**  
**Gb**  
 When I said that I will call you, squeeze you a little bit of love  
**Ebm Db**  
 I didn't want to but it's good to see you  
**Gb F#sus4 Gb**  
 Tell me how you're doing  
**Ebm Db**  
 I didn't want to leave you down south  
**Gb F#sus4**  
**Gb**  
 When I said that I will call you, squeeze you a little bit of love  
**Ebm Db**  
 I didn't want to  
**Gb F#sus4 Gb**  
 Anyway
