

Jeremy Loops - Power

Tom: A

Intro: 8x: A D

Seeing what my eyes can't see
And being what I wanna be
And I'll dooooo what I wanna do
'Cause it's you, it's you
You come and help me brake through

Refrão:

'Cause you got power ooh ooh
You're living in you're emotions ooh ooh

And you got power ooh ooh
Now don't stop your heart showing it noo noo

SOLO DE GAITA (A D 4x)

Now I was lonely, emptied out
I was working unfamiliar hours
I was not doing anything
That I wanted to do,
But now you know

Refrão:

'Cause you got power ooh ooh
You're living in you're emotions ooh ooh

And you got power ooh ooh
Now don't stop your heart showing it noo noo

Now don't stop your heart showing it noo noo

Well my head, and my soul
Hard fought till the day I go
But you know that I know
That you wanna but you still won't go
And here's you, fly through
It's been longer than you care to knowoooo
Since you've been so looonnee ooh ooh

SOLO DE GAITA

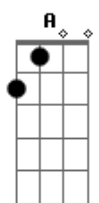

So take one look where you are now
Feel good that you got this far
Be sure to take a little time
To help a fellow out

Refrão:

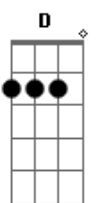

'Cause you got power ooh ooh
You're living in you're emotions ooh ooh
And you got power ooh ooh
Now don't stop your heart showing it noo noo

You got power ooh ooh
You're living in you're emotions ooh ooh
And you got power ooh ooh
Now don't stop your heart showing it noo noo
We got power
