

Jeremy Zucker - All The Kids Are Depressed

Tom: D

How long have you been smiling? A
It seems like it's been too long E Gbm E
Some days I don't feel like trying D A
So what the fuck are you on? E Gbm E

I think too much, we drink too much D A E
Falling in love like it's just nothing Gbm E D
I want to know where do we go A E
When nothing's wrong Gbm

'Cause all the kids are depressed E D
Nothing ever makes sense A
I'm not feeling alright E
Staying up 'til sunrise Gbm
And hoping shit is okay E D
Pretending we know things A
I don't know what happened E
My natural reaction is that we're scared Gbm E D A E
So I guess we're scared Gbm E
But I can't really keep lying D A
'Cause I've been scared all along E Gbm E

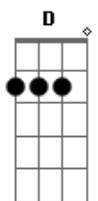

Getting sick of sleeping in D
While all my friends are popping pills A
And I don't think that they're wrong E Gbm E

I think too much, we drink too much D A E
Falling a part like it's just nothing Gbm E D
I want to know where do we go A E
When nothing's wrong Gbm

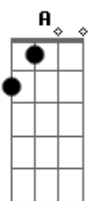

'Cause all the kids are depressed E D
Nothing ever makes sense A
I'm not feeling alright E
Staying up 'til sunrise Gbm
And hoping shit is okay E D
Pretending we know things A
I don't know what happened E
My natural reaction is that we're scared D A E
So I guess we're scared Gbm E D A E Gbm E

I won't deny it 'cause you stole all the words D A
I can't deny it if you won't give a fuck E Gbm E
So I'll start it out D A
You know I am so in love E Gbm
