[Primeira Parte]

```
A                     B
 Driving down the interstate
A                    B
 I've never felt so far away
A                    B
 Leaving hardly hurts at all
A                   B
 I'm sorry that I never call
```
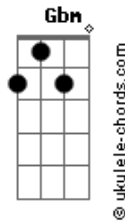

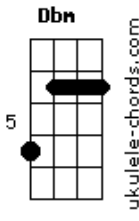

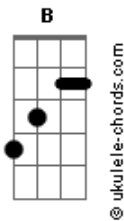

[Pré-Refrão]

```
A           B
Often I get exhausted
         A              B
Trying regardless to be enough
        A              B
Is it selfish not to be selfless
                   A            B
When all I can help is to open up?
```
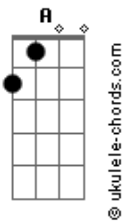

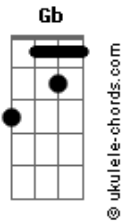

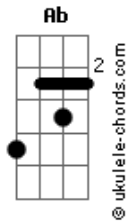

[Refrão]

```
          A                 B
I'll be better than I was before
              A               B
Despite every text of yours ignored
             A              Dbm
Will you call me still, just to hear my voice?
   A            B
I swear, always, I'll care
```

```
A                    B
```

```
  (I'll care)
```

[Segunda Parte]

```
A                       B
 Flipping through our photographs
A                    B
 Those moments never seem to last
A                B
 Listening to self control
A                           B
 Those feelings that you'll never know
```

[Pré-Refrão]

```
A                   Dbm
Leave me, it's never easy
             A          Gbm
I've had a lifetime to be alone
           A         Dbm
If you let me, when it gets heavy
                A               Dbm
Know I'll never let you be all alone
```

[Refrão]

```
          A                 B
I'll be better than I was before
              A               B
Despite every text of yours ignored
             A              Dbm
Will you call me still, just to hear my voice?
     A          B
I swear, always
A      B
  Always
A      B
  Always, I'll care
```
