Intro: **D** **Em** **C**  
**D** **Em** **C**

**D** **Em** **C**  
No, I don't miss you yet  
**D** **Em** **C**  
You're just a feeling I'd rather forget  
**D** **Em** **C** **G**  
So I pierce my skin and I buzz my hair  
**C** **Bm** **C**  
I'm going to Mexico

**D** **Em** **C**  
No, I don't feel the same  
**D** **Em** **C**  
The lack of chemicals in my brain  
**D** **Em**  
Won't keep me warm  
**C** **G**  
So I pause and pray  
**C** **Bm** **C**  
I don't wanna feel the cold  
**Am** **Bm** **C**  
So I'm going to Mexico

**D** **Em** **C**  
Oh, Mexico  
**D** **Em**  
Sounds so sweet  
**C**  
But I'm going there alone

**D** **Em**  
I tried to be myself but still  
**C**  
I've got some room to grow  
**Bm** **C** **G**  
I'm going to Mexico  
**D** **Em** **C**  
And I won't miss you then  
**D** **Em** **C**  
The weight of every word on my chest  
**D** **Em**  
So I curse my name  
**C** **G**  
And my fragile frame  
**C** **Bm** **C**  
Anywhere could feel like home (anywhere)  
**Am** **Bm** **C**  
But I'm going to Mexico  
**D** **Em** **C**  
Oh, Mexico  
**D** **Em**  
Sounds so sweet  
**C**  
But I'm going there alone  
**D** **Em**  
I tried to be myself but still  
**C**  
I've got some room to grow  
**Bm** **C** **G**  
I'm going to Mexico
