

Jeremy Zucker - Parent Song

tom:

Intro: G D Em7 G Cadd9

Oh, my love, side to side

G
I might look a bit older now

D
But I'm still the same kid I've always been

Em7
Changed the color of my hair

Cadd9
But I still need you like I always did

G
Friends just finished college

D
And they're moving to the city where I live

Em7
So you might have to see me less

Cadd9
But it's nice to have somebody to miss

G Cadd9
I'm so looking forward to vacation

G Cadd9
Let's make up for everything I've missed

G D
Ooh, I'm so sorry for the things I do

Em7
I hope it doesn't hurt your heart, it's true

Cadd9
Go rest your mind, 'cause I still need you too

G
You love those old photographs

D
That I swear you've shown me a thousand times

Em7
And usually I fake a laugh

Cadd9
While you're trying your hardest not to cry

G
We'll go walk the dogs out in the parks

D
Westport's perfect in the spring

Acordes

Em7
And I'll swallow my pride and try

Cadd9
To tell you just how hard it's really been

G D
Ooh, I'm so sorry for the things I do

Em7
I hope it doesn't hurt your heart, it's true

Cadd9
Go rest your mind, 'cause I still need you too

G D
Hey, there's nowhere else I'd rather spend my day

Em7
I love you, I know sometimes I don't say

Cadd9
'Cause I know everything will be okay, be okay

G Cadd9
You keep calling just to say you miss me

G Cadd9
Never know what I'm supposed to say

G Cadd9
I'm so sick and tired of the city

G Cadd9
I need an excuse to get away

G Cadd9
Can't believe it's already September

G Cadd9
Summer wasn't easy to enjoy

G Cadd9
Don't think I can make it to November

G Cadd9
I just really need to hear your voice

G D
Ooh, I'm so sorry for the things I do

Em7
I hope it doesn't hurt your heart, it's true

Cadd9
Go rest your mind, 'cause I still need you too

I still need you too

G D
Hey, there's nowhere else I'd rather spend my day

Em7
I love you, I know sometimes I don't say

Cadd9
'Cause I know everything will be okay, be okay
