tom:

Intro: <sup>G</sup> G <sup>D</sup> D <sup>Em</sup> Em <sup>Cadd9</sup> Cadd9

Oh, my love, side to side

<sup>G</sup> I might look a bit older now

But I'm still the same kid I've always been <sup>D</sup>

<sup>Em</sup> Changed the color of my hair

But I still need you like I always did <sup>Cadd9</sup>

<sup>G</sup> Friends just finished college

And they're moving to the city where I live <sup>D</sup>

<sup>Em</sup> So you might have to see me less

But it's nice to have somebody to miss <sup>Cadd9</sup>

<sup>G</sup> I'm so looking forward to vacation <sup>Cadd9</sup>

<sup>G</sup> Let's make up for everything I've missed <sup>Cadd9</sup>

<sup>G</sup> Ooh, I'm so sorry for the things I do <sup>D</sup>

I hope it doesn't hurt your heart, it's true <sup>Em</sup>

Go rest your mind, 'cause I still need you too <sup>Cadd9</sup>

<sup>G</sup> You love those old photographs

That I swear you've shown me a thousand times <sup>D</sup>

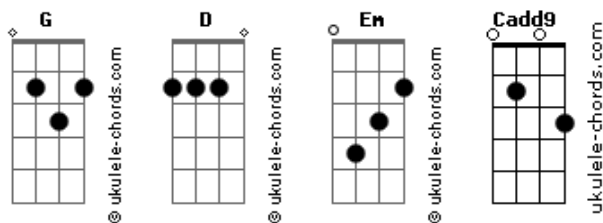

<sup>Em</sup> And usually I fake a laugh

Whil? you're trying your hardest not to cry <sup>Cadd9</sup>

<sup>G</sup> We'll go walk the dogs out in the parks

Westport's perfect in the spring <sup>D</sup>

## Acordes

<sup>Em</sup> And I'll swallow my pride and try  
To tell you just how hard it's really been <sup>Cadd9</sup>

<sup>G</sup> Ooh, I'm so sorry for the things I do <sup>D</sup>

I hope it doesn't hurt your heart, it's true <sup>Em</sup>  
Go rest your mind, 'cause I still need you too <sup>Cadd9</sup>

<sup>G</sup> Hey, there's nowhere else I'd rather spend my day <sup>D</sup>

I love you, I know sometimes I don't say <sup>Em</sup>  
'Cause I know everything will be okay, be okay <sup>Cadd9</sup>

<sup>G</sup> You keep calling just to say you miss me <sup>Cadd9</sup>

<sup>G</sup> Never know what I'm supposed to say <sup>Cadd9</sup>

<sup>G</sup> I'm so sick and tired of the city <sup>Cadd9</sup>

<sup>G</sup> I need an excuse to get away <sup>Cadd9</sup>

<sup>G</sup> Can't believe it's already September <sup>Cadd9</sup>

<sup>G</sup> Summer wasn't easy to enjoy <sup>Cadd9</sup>

<sup>G</sup> Don't think I can make it to November <sup>Cadd9</sup>

<sup>G</sup> I just really need to hear your voice <sup>Cadd9</sup>

<sup>G</sup> Ooh, I'm so sorry for the things I do <sup>D</sup>

I hope it doesn't hurt your heart, it's true <sup>Em</sup>

Go rest your mind, 'cause I still need you too <sup>Cadd9</sup>

I still need you too

<sup>G</sup> Hey, there's nowhere else I'd rather spend my day <sup>D</sup>

I love you, I know sometimes I don't say <sup>Em</sup>

'Cause I know everything will be okay, be okay <sup>Cadd9</sup>
