Jeremy Zucker - Sometimes (feat. Chelsea Cutler)

Tom: D
Intro: D G Bm G

[Verso 1]

D
Tell me your secrets
G
I won't repeat them
    Bm
This tug in my chest

Makes it hard to get rest
          G
And I think that I'm better off dead
D
Tell me you mean it
G
Give me your pieces
    Bm
This hole in my heart

Makes it hard to restart
       G
And I think that I'm falling apart

[Pre-Refrão]

         A
God only knows
                G
Why it comes and it goes
                 A
And gets lost on me
            G
I'm scared that it shows
                      A
And I, I'm scared to believe

[Refrão]

       Bm
'Cause I love you

But sometimes
          A
I'd rather die
             G   D G Bm G
Than have to feel this way inside

[Verso 2]

D
Tell me it's over
G
At least I'm closer
    Bm
This weight on my neck

Makes it hard to connect
       A   G

And I'm staring at my feet again
D
I don't think they know it
G
How bad I'm broken
          Bm
The colors you see

Have become lost on me
           G
And I can't find the root of the bleed

[Pre-Refrão]

          A
God only knows
                G
Why it comes and it goes
                 A
And gets lost on me
            G
I'm scared that it shows
                      A
And I, I'm scared to believe

[Refrão]

       Bm
'Cause I love you

But sometimes
          A
I'd rather die
             G   Bm
Than have to feel this way inside

(G D A Bm G D A)

[Ponte]

          A
