[Primeira Parte]

E
I thought

B
I would be good by now

Gb **E**
I'd have it figured all out

Abm **Gb**
We'd skip the scenic route

E
Oh well

B
At least I never lied

Gb **E**
Still, I'm always the bad guy

Abm **Gb**
So much for being nice

[Refrão]

E
'Cause I don't wanna be someone who makes you happy

B **Gb**
Then lets you down, we'll both feel crappy

E
I'll hate your friends when this shit ends

Abm **Gb**
Well, alright

E
And I don't wanna make your mama cry at dinner

B **Gb**
And see her at the mall next winter

E
At Supercuts, she hates my guts

Abm **Gb**
Well, alright

[Segunda Parte]

E
But I don't

B
Don't need a hand to hold

Gb **E**
Don't need you to console me

Abm **Gb**
It's honestly getting old

E
Well, I've thought

B **Gb**

There's so many places we could go

Well, maybe I'm better off at home **E**

Maybe I'm better on my own **Abm**

[Refrão]

E
'Cause I don't wanna be someone who makes you happy

B **Gb**
Then lets you down, we'll both feel crappy

E **Abm**
I'll hate your friends when this shit ends

Gb
Well, alright

E
And I don't wanna make your mama cry at dinner

B **Gb**
And see her at the mall next winter

E
At Supercuts, she hates my guts

Abm **Gb**
Well, alright

(**E** **B** **Gb**)
(**E** **Abm** **Gb**)

[Ponte]

E
Found me drowning in this bullshit again

B **Gb**
Started something that we're just gonna end

Wonder if we will be better as friends

Abm **Gb**
But we won't

[Refrão]

E
'Cause I don't wanna be someone who makes you happy

B **Gb**
Then lets you down, we'll both feel crappy

E **Abm**
I'll hate your friends when this shit ends
