Tom: **E**  
Intro: **E A**

**E** **A**  
Lyin' isn't better than silence  
**E** **A**  
Floatin', but I feel like I'm dyin'  
**Dbm7**  
Still, no matter where I go  
**B**  
At the end of every road  
**A**  
You were good to me  
**E** **B**  
You were good to me, yeah  
**Dbm7**  
I know it's easier to run  
**B**  
After everything I've done  
**A**  
You were good to me  
**E** **B**  
You were good to me

**E** **A**  
You were good to me  
**E** **A**  
You were good to me  
**E** **A**  
Leavin' isn't better than tryin'  
**E** **A**  
Growin', but I'm just growin' tired  
**Dbm7**  
Now I'm worried for my soul  
**B**  
And I'm still scared of growin' old

**A**  
You were good to me  
**E** **B**  
You were good to me, yeah  
**Dbm7**  
And I'm so used to lettin' go  
**B**  
But I don't wanna be alone  
**A**  
You were good to me  
**E** **B**  
You were good to me, yeah, oh  
**A** **B**  
God only knows where our fears go  
**A** **B**  
Hearts I've broke, now my tears flow  
**A** **B**  
You'll see that I'm sorry  
**A**  
'Cause you were good to me  
**E** **B**  
You were good to me  
**Dbm7**  
And now I'm closin' every door  
**B**  
'Cause I'm sick of wantin' more  
**A**  
You were good to me  
**E** **B**  
You were good to me, yeah  
**Dbm7**  
Swear I'm different than before  
**B**  
I won't hurt you anymore  
**A**  
'Cause you were good to me
