

Jerry Lee Lewis - As Long As I Live

Tom: **C**

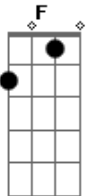

As long as I **C** live baby I'm gonna give **F**
 You all of my **C** heart **G7** can't be apart
 As long as I **C** live yes I'm gonna give **F**
 These stars **C** above that shine **G7**
 Just give me **C** just a little more time **F**
 Then I'm gonna **C** make this whole world yours **G7** and mine **C**
 As long as I live **F** baby I wanna see
 If you give your **C** love to nobody but me **G7**

As long as I **C** live yes I wanna be **F**
 Your one **C** desire that kiss **G7**
 The flame **C** burning in your heart like fire **F**
 I wanna be **C** your one desire **G7**
 Yes I wanna be **F** your one desire **C**
 Yes I wanna feel **G7** your lips of fire
 Well you **C** gotta be here **F** when the sun goes down **C** oh yeah **A7**
 And when I **F** call your name pretty baby don't let me **G7** down **C**
 Yes I'm gonna **F** make this whole world yours **C** and mine **G7**
