

# Jerry Lee Lewis - Come On In

Tom: **C**

If you're here cause you love me and not just because  
 Things didn't work out with him  
 If you've had sweet dreams of him and where we left off  
 Come on in come on in

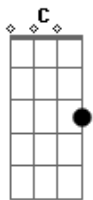

If you've come back forever and if you're sincere  
 Honey if can be satisfied with one man  
 If you've had sweet dreams of him and where we left off  
 Come on in come on in

Come on in come on in

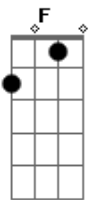

I've been missing the fire in your shiny green eyes  
 And the love words you whispered back then  
 If you can still say you love me after telling those lies  
 Come on in come on in

It's the worst kind of hell since we're living apart  
 I don't think I can take it again  
 If you'll come back for ever please don't break my heart  
 Come on in come on in
