

Jerry Lee Lewis - How's My Ex Treating You

Tom: **C**

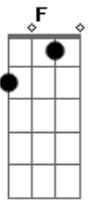

How's my ex my ex treating you **C** **F**
 Has she had time time to find someone new **C** **G7**
 Any day now will be her last son I know from the past **C** **F**
 Cause I was once once there too how's my ex treating you **C** **G7** **C**
 Like the sand she'll move with the tide **F** **C**
 Your two arms will never keep her satisfied **D7**

You can't keep her satisfied **G7**
 She'll use you just the way she used me too **C** **C7** **F**
 But up to now how's my ex treating you **C** **G7** **C**
 Like the sand she'll move with the tide **F** **C**
 Your two arms will never keep her satisfied **D7** **G7**
 She'll use you just the way she used me too **C** **C7** **F**
 But up to now how's my ex treating you **C** **G7** **C**
