

Jerry Lee Lewis - I Can't Have a Merry Christmas

Tom: **C**

I can't have a Merry Christmas Mary without you
 To do the things together that we used to do
 Now it was Christmas when you left me and now spirits make me blue
 I can't have a Merry Christmas Mary without you
 I've waited since last Christmas just hoping you'd be true
 My friends all say I'm crazy honey but I still believe in you

D7

So I've kept that old tree a burning with the lights of pretty blue

I can't have a Merry Christmas Mary without you

Don't send me Christmas greetings or gifts wrapped in blue

Just bring yourself my darling and make my dreams come true

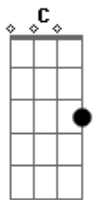

For last night I dreamed old Santa Clause

Said that you were lonesome too

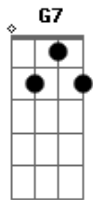

I can't have a Merry Christmas Mary without you

I can't have a Merry Christmas Mary without you
