

# Jerry Lee Lewis - I'll Find It Where I Can

Tom: **G**

It's just another wasted morning **G** **C**  
 While I'm holding up the wall **G**  
 Too much tequila makes me wonder **C**  
 Why I'm heading home at all **G**  
**G7** **C**  
 Get that honky tonk feeling **C**  
 Every time your arms grow cold **G**  
 I suppose that's the reason **C** **G**

I need a home away from home

So I'll say one more time **F** **G**  
 And I hope you'll understand **C**  
 If I can't find it in your arms babe **G**  
 I'm gonna find it where I can **G**  
 I can't refuse them lonely women **C**  
 Lord I know just how they feel **G**  
 So I'll just keep pretending **C**  
 What you been giving me is real **G**
