

Jerry Lee Lewis - Love Inflation

Tom: **C**

Love inflation **C** Lord that's **F** twice as high
C My poor heart is barely gettin' **G7** by
C Your sweet kisses are **F** few but far between
C Love inflation is **G7** slowly **C** killing me
 I've been living in a deep **F** depression
C Since my love ain't worth all your **G7** time

C Somebody else is getting your **F** high interest
C And I'm just standing in the **G7** welfare **C** line
 Honey I've been saving all my **F** kisses
C But they're not in demand like **G7** before
C Darling I know you've got lots of **F** good loving
C It's all gone **G7** before I reach the **C** store
 Your love inflation is **G7** slowly **C** killing me
