

# Jerry Lee Lewis - No Particular Place To Go

Tom: **G**

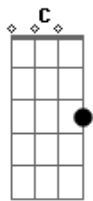

Riding along in my automobile **G**  
 My baby beside me at the wheel **C**  
 Oh I stole a kiss at the turn of a mile **G**  
 My curiosity runnin' wild **D7**  
 Cruisin' and playin' my radio **C**  
 Oh with no particular place to go **G**  
 Oh riding along in my automobile  
 Just anxious to tell her the way I feel  
 Ooh I told her softly and sincere **C**  
 Oh and she slowly whispered in my ear **G**  
 Cuddlin' more and drivin' slow **D7**  
**C** **G**

Oh with no particular place to go  
 Oh with no particular place to go  
 So we parked way out in the Kokomo  
 Ah the night was young and the moon was gold **C**  
 Ah we both decided to take a stroll **G**  
 Can you imagine the I felt **D7**  
 I couldn't unfasten that doggone safety belt **C** **G**  
 Oh riding along in my calaboose  
 Ooh still trying to get her belt unloose  
 All the way home I held a grudge **C**  
 Ah but the safety belt it wouldn't budge **G**  
 Cruisin' and playin' my radio **D7** **C**  
 With no particular place to go **D7** **G**
