

Jerry Lee Lewis - She Sure Makes Leaving Look Easy

Tom: C

She seems so carefree as she moves about
 Laughing and joking and teasing
 You'd think she's just going out for a walk
 She sure makes leaving look easy

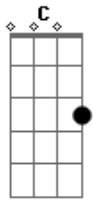

She says remember to write her sometime
 Don't worry about what she's leaving
 That ain't no reason why we can't be friends

She sure makes leaving look easy

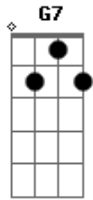

You'd think that leaving would be hard to do
 Open that old suitcase of what we've been through
 Asking the question of how she'll get by
 Maybe just one little tear in her eye

Why didn't you do this a long time ago
 Back when the tears were in season
 She seems to get lighter with each step she takes
 She sure makes leaving look easy
