

Jerry Lee Lewis - Think About It Darlin

Tom: **C**

Search the **C** corners of your precious heart

And if you find something there **C**

And there's anyway to call it love **C**

And we still got a prayer **G7**

C I've got more love for you sweetheart

F Than you'll ever find again **C**

F So before you close that door on me **C**

G7 **C**

Think about it darling

G7 Think about it darling give yourself a little time **C**

D7 Consider all you mean to me and you might change your mind **G7**

C Mmm I haven't been the kind of man you wanted me to be **F**

C But if you stay darling I'll try to change don't give up on **G7** Jerry Lee **C**

C Lord things were good between us once I know they could be **F** again

C And there's nothing good about a goodbye think about it **G7** darling **C**

There's nothing good about goodbye **G7** think about it darling **C**
