

Jerry Lee Lewis - You Don't Miss Your Water

Tom: C

In the beginning honey you really loved me

I was too blind and I couldn't see

But now you've left me oh Lord how I cried

You don't miss your water till the well runs dry

I kept you crying sad and blue

Honey I was a playboy I wouldn't be true

But when you left me and said goodbye

God I miss my water Jerry's well just ran dry

Mhm I sit and wonder how can this be

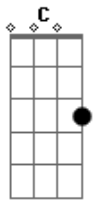

I never thought I never thought woman you'd ever leave me

But now you've left me oh how I cry

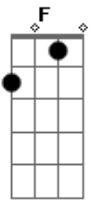

You don't miss your water till your well runs dry

Yes you don't miss your water till your well runs dry
