A

I met my baby at a bar

Somewhere in Ohio

A

I guess I went a bit too far

Now I?m in denial

Bm

Oh, she don?t love me now

She don?t love me now

A

We had so many nights down there

Down there in the village

A

Dressed up like each other?s dreams

We were kinda killers

Bm

Oh, she don?t love me now

She don?t love me now

[Chorus]

Gbm

Oh, you don?t love me

A

Like you say you do

Gbm

Oh, you don?t love me

When you say ? you do

A

Well, the nights are so long

I got nowhere to go

A

I?m sick of the bars

And I?m sick of the shows

A

Doing my best and I did what I could

Still got friends in the neighbourhood

Bm

Oh, she don?t love me now

She don?t love me now

Bm

Oh, she don?t love me now

She don?t love me now

[Chorus]

Gbm

Oh, you don?t love me

A

When you say you would

Gbm

Oh, I could love you

A

Only if I could

Gbm

Oh, you don?t love me

Bm

When you say

A

Oh, all I got is lost

Hanging on a cross

A

All I got and all I want

And all I got is

Bm

Oh, she don?t love me now

She don?t love me now

Bm

Oh, she don?t love me now

She don?t love me now

Bm

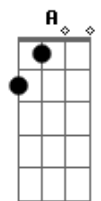

She don?t love me now

She don?t love me now
