**A** **Bm**

**A**  
I met my baby at a bar  
Somewhere in Ohio  
**A**  
I guess I went a bit too far

Now I?m in denial  
**Bm**  
Oh, she don?t love me now  
**A**  
She don?t love me now

**A**  
We had so many nights down there

Down there in the village  
**A**  
Dressed up like each other?s dreams

We were kinda killers  
**Bm**  
Oh, she don?t love me now  
**A**  
She don?t love me now

[Chorus]

**Gbm**  
Oh, you don?t love me  
**A**  
Like you say you do  
**Gbm**  
Oh, you don?t love me  
**Bm** **A**  
When you say ? you do

**A**  
Well, the nights are so long

I got nowhere to go  
**A**  
I?m sick of the bars

And I?m sick of the shows  
**A**  
Doing my best and I did what I could

Still got friends in the neighbourhood  
**Bm**  
Oh, she don?t love me now

**A**  
She don?t love me now  
**Bm**  
Oh, she don?t love me now  
**A**  
She don?t love me now

[Chorus]

**Gbm**  
Oh, you don?t love me  
**A**  
When you say you would  
**Gbm**  
Oh, I could love you  
**A**  
Only if I could  
**Gbm**  
Oh, you don?t love me  
**Bm**  
When you say

**A**  
Oh, all I got is lost

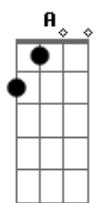

Hanging on a cross  
**A**  
All I got and all I want

And all I got is  
**Bm**  
Oh, she don?t love me now  
**A**  
She don?t love me now  
**Bm**  
Oh, she don?t love me now  
**A**  
She don?t love me now

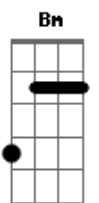

**Bm**  
She don?t love me now  
**A**  
She don?t love me now

( **A** **Bm** **A** **Bm** )  
( **A** **Bm** **A** **Bm** **A** )
