

# Jesse McCartney - Anybody

Tom: E

(intro) E B Gb B E B Gb B

E B Gb B  
She left me hangin' by a thread again  
E B Gb B  
I stood there waiting like a fool for her

( E B Gb B E )

B Gb B  
I never dreamed that I'd be in this place But here I am all alone.

E B Gb B  
It's not the first time that she's walked away  
E B Gb B  
Changed all our plans within the blink of an eye  
E B Gb B  
And looking back it's always been the same  
E B Gb B  
But I refused to see it all for what it was

(refrão)

E B  
Has anybody ever felt this way  
Gb  
Has anybody been ripped apart  
E B Gb  
Anybody give everything to the one they love

E B  
Am I the only one left behind  
Gb  
Am I the only one who hates goodbyes  
A E B  
God I know this can't go on forever

E B Gb B  
I wonder if she ever thinks of me  
E B Gb B  
And all the promises she swore to keep  
E B Gb B  
Some nights I lay in bed just burning up  
E B Gb B  
'Cause I know that she's out with someone else

(refrão)

I was the one who gave up everything for her  
When no one would listen I heard every word, oh  
It took me so long to see that maybe I am better off alone

(refrão 2x)

God I know this can't go on  
All I wanna do is just move on  
God I know this can't go on forever  
Yeah I know this won't go on forever  
God I know this can't go on forever.
