

Jesse McCartney - Because You

Tom: **D**

D E Gbm

Staring out at the rain with a heavy heart
It's the end of the world in my mind
Then your voice pulls me back like a wake up call

Am F G

I've been looking for the answer somewhere
I couldn't see that it was right there
C G
But now I know what I didn't know

D E Gbm

Because you live and breathe
Because you make me believe in myself
When nobody else can help
Because you live, girl

Gbm D E

My world has twice as many stars in the sky

D E Gbm

It's alright, I survived, I'm alive again
Cuz of you, made it through every storm
What is life, what's the use if you're killing time
I'm so glad I found an angel

Am F E

Someone who was there when all my hopes fell

C G

I wanna fly looking in your eyes

D E Gbm

Because you live and breathe
Because you make me believe in myself

When nobody else can help
Because you live, girl
Gbm D E
My world has everything I need to survive

D E Gbm

Because you live

D E Gbm

I live x2

I want you and your beautiful soul

A E

You're the one I want to chase

I'll ease your mind

If you give me the chance

I will never make you cry, c'mon let's try

{Chorus}
