

# Jesse McCartney - Feelin' You

Tom: C

<sup>Am</sup>  
I see something in you  
<sup>G</sup>  
Something nobody sees  
<sup>Am</sup> <sup>Dm</sup>  
I see yellow and blue  
<sup>G</sup> <sup>E</sup>  
Yeah, the sunshine and the sea  
<sup>Am</sup> <sup>Dm</sup> <sup>G</sup>  
When I think of love I think of you  
<sup>C</sup>  
Yeah it's my favourite thing to do  
<sup>Am</sup> <sup>Dm</sup>  
You're my missing puzzle piece  
<sup>G</sup> <sup>C</sup>  
Yeah you are, perfect for me

Refrão:

<sup>F</sup>  
You walk into a room  
<sup>G</sup>  
All eyes are on you  
<sup>E</sup> <sup>Am</sup>  
Everyone wants to know your name  
<sup>F</sup>  
Baby you make 'em swoon  
<sup>G</sup>  
Yeah baby you're so smooth

<sup>E</sup> <sup>Am</sup>  
You take every breath I breathe away  
<sup>F</sup>  
I just wanna tell you baby  
<sup>E</sup> <sup>Am</sup>  
How much I am feelin' you  
  
<sup>Am</sup>  
You, you, you, you, you  
<sup>Am</sup> <sup>Dm</sup>  
Yeah, you got your own rules  
<sup>G</sup>  
I don't mind playing your way  
<sup>Am</sup> <sup>Dm</sup>  
Baby take me to school  
<sup>G</sup> <sup>E</sup>  
And I'll pay attention every word you say

(Refrão)

<sup>C</sup>  
I'm right where I wanna be  
Next to you standing next to me  
Oh baby why don't you take my hand  
And we'll walk to the other side  
Where all we see is that love is blind  
I think by now you understand  
Just wanna tell you baby  
How much I am feelin'...
