

# Jessia - Care About Me

tom:

E

('Cause you don't even care about me)

Dbm A  
Why am I still protecting you?

E B  
Why am I still saying that you mean well?

Dbm A  
When you don't notice if I'm in the room

E B  
Yeah I will always choose you over myself

Dbm A E B  
Oh I... know that I deserve better than this

Dbm A E B  
But I... don't know how to not treat myself like shit

Dbm A E B  
'Cause you don't even care... about me

B Dbm A E B  
It's obvious, but I'm still crawling back on my knees

Dbm A  
Rip my heart from my chest

E B  
And I'll still apologize for making a mess

Dbm A E B  
But you don't even care... about me

Dbm A  
I don't make sense when it comes to you

E B  
I gave my worth up for somebody

Dbm A  
Who doesn't care if we win or lose

E B

Yeah I will always choose you or nobody

Dbm A E B  
Oh I... know that I deserve better than this

Dbm A E B  
But I... don't know how to not treat myself like shit

Dbm A E  
'Cause you don't even care... about me

B Dbm A E B  
It's obvious, but I'm still crawling back on my knees

Dbm A  
Rip my heart from my chest

E B  
And I'll still apologize for making a mess

Dbm A E B  
But you don't even care... about me

Dbm A  
Oh I'm so sorry to myself

E B  
For justifying a narcissistic hell

Dbm A  
For putting up with the minimum

E B  
Oh I'm so sorry

Dbm A E  
'Cause you don't even care... about me

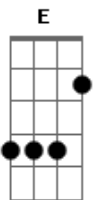

B Dbm A E B  
It's obvious, but I'm still crawling back on my knees

Dbm A  
Rip my heart from my chest

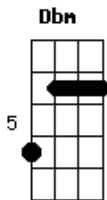

E B  
And I'll still apologize for making a mess

Dbm A E B  
But you don't even care... about me
