

# Jessica Benko - A Soulmate Who Wasn't Meant To Be

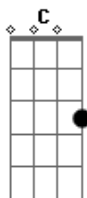

Tom: C

Intro: C Am Dm G

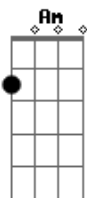

I never should have called  
'Cause I knew you would leave me  
But I didn't think you could do it so easily  
And I never should have held your hand  
On that cold rainy night  
'Cause further along, it would cause another fight  
Stranger, that's all I see  
When I look into your eyes  
A soulmate who wasn't meant to be  
Stranger, who knows all my secrets  
Can pull me apart and break my heart  
A soulmate who wasn't meant to be  
I never should have kissed  
Kissed your hand  
I am under your control  
I will never understand  
I never should have said  
"I love you"

You never said it back  
So why do I still care for you?  
Stranger, that's all I see  
When I look into your eyes  
A soulmate who wasn't meant to be  
Stranger, who knows all my secrets  
Can pull me apart and break my heart  
A soulmate who wasn't meant to be  
Wish I could go back to the day we met and leave you be  
Sit and look pretty  
Never should have called  
Never should have helped  
Never should have kissed  
Never should have said  
Stranger, that's all I see  
When I look into your eyes  
A soulmate who wasn't meant to be  
Stranger, who knows all my secrets  
Can pull me apart and break my heart  
A soulmate who wasn't meant to be
