                                                                 I want it right now Heavy Breathing
            [Primeira Parte]
                                                                 Walking through the fire
Walking through the fire
                                                                 Please don't let me go (please don't let me go)
 Please don't let me go
                                                                 Take me to the river (take me to the river)
 Take me to the river
                                                                 I need you to know (I need you, I need you to know!)
 I need you to know
I'm burnin' up come put me out come and put me out
                                                                Everything hot like it's fresh off the grill
I'm burnin' up come put me out come and put me out
                                                                Million dollar grill look fresh on the hill
[Segunda Partel
                                                                Plus I'm 6'5", she need to step in some heels
                                                                'Fore she step up in here you need to step up your gear
 Hot in the kitchen like a thousand degrees
                                                                Wish a Lamborghini had four doors
 That?s how I?m feeling when you?re next to me
                                                                From the corner store to the corridor
 I got a fever, tell me what did you do?
                                                                Me and my homie on the dance floor
 Temperature rising when I look at you, look at you
                                                                White girl in the middle, looking like an oreo
 Subliminal, sex
 Drippin' in, sweat
                                                                (I'm burnin' up)
 I'm losing my breath Heavy Breathing
                                                                2, 4, 5 we can burn up
 Look what I've found
                                                                Turn down for what, nigga turn up
It's 'bout to go down
                                                                Mother fucker must ain't learn nothin'
( Am )
                                                                Back in the day used to down with a burner
[Refrão]
                                                                (I'm burnin' up)
Walking through the fire
                                                                Might got the Lord on the top floor
 Please don't let me go
                                                                In a four through the web wearin' Tom Ford
 Take me to the river
                                                                Walk in the club and her ass start clappin'
 I need you to know
                                                                Tell shawty I want a encore bridge
I'm burnin' up come put me out come and put me out
I'm burnin' up come put me out come and put me out
                                                                Come put me out
[Terceira Parte]
                                                                Come and put me out
                                                                I'm burnin' up
I got the matches, you got the gasoline
                                                                Come put me out
Light up the floor like it's Billie Jean
                                                                Come and put me out
 The way we're movin', by the end of the song
                                                                Come put me out
 They're gonna have to pull the fire, fire alarm
                                                                Come and put me out
Subliminal, sex
                                                                I'm burnin' up
Drippin' in, sweat
                                                                Come put me out
I'm losing my breath Heavy Breathing
                                                                Come and put me out
