

Jessie J - I Wanna Dance With Somebody

```
Tom: Gb
                                                                     soon or later the fever ends, and I wind up feeling down.
         Db
    Gb
                                                                     I need a man who'll take a chance,
     Clocks strikes upon the hour, and the sun begins to fade,
                                                                     on a love that burns hot enough to last.
                                                                                                                         B Db
Ebm
                                                                                                    Db
                                                                                           Gb
                                                                     So when the night falls, my lonely heart calls.
    still enough time to figure out how to chase my blues
away.
                                                                     Oh! I wanna dance with somebody,
    I've done alright up 'til now, it's the light of day that
                                                                     I wanna feel the heat with somebody.
shows me how.
                                   Db
                           Gb
                                                                     Yeah! I wanna dance with somebody,
    and when the night falls, loneliness calls.
                                                                     with somebody who loves me.
    Oh! I wanna dance with somebody,
                                                                     Oh! I wanna dance with somebody,
    I wanna feel the heat with somebody.
                                                                     I wanna feel the heat with somebody.
    Yeah! I wanna dance with somebody,
                                                                     Yeah! I wanna dance with somebody,
                       Abm
    with somebody who loves me.
                                                                                         Ahm
                                                                     with somebody who loves me.
    Oh! I wanna dance with somebody,
                                                                    Somebody to, somebody to,
    I wanna feel the heat with somebody.
                                                                                                  somebody to love me,
                                                                                                                    Dh
    Yeah! I wanna dance with somebody,
                                                                     somebody to , somebody to,
                                                                                                   to hold me in his arms, oh!
    with somebody who loves me.
                                                                     I need a man who'll take a chance,
  Db
                                                                           Gb
                                                                     on a love that burns hot enough to last.
Fbm
  I've been in love and lost my senses, spinning through the
                                                                                           \mathsf{Gb}
town,
 Db
                                                                     So when the night falls, my lonely heart calls.
