

# Jessie J - You Loss I'm Found

Tom: **G**

**G**  
Where did we go?  
**Em**  
Put your hand down

I'm scared to know  
**D** **Am** **D**  
What I'm feeling, yeah  
**G** **D**  
Say yes or no  
**Em**  
Do I give up and just let go  
**D** **Am** **D**  
Or keep on dreaming? yeah

**G**  
What is this?  
**D** **Em**  
I was yours, you let me go  
**D**  
Are you bored?  
**Am**  
Is this love, can you tell me?  
**D**  
I've had enough

Oh, so tell me

(CHORUS)

**G** **D**  
How can I be your lover?  
**Em**  
Stars ain't made to  
**D** **Am**  
Shine under clouds  
**D**  
Stop turning me down  
**G** **D**  
One day when you discover,  
**Em** **D** **Am**

How bright I try to love you now

**D**  
I won't be around

It's too late

**G**  
Your loss I'm found

**D**  
I gave my all  
**Em**  
Guess you knew all along

I would fall  
**D** **Am** **D**  
For your teasing, why?  
**G** **D**  
And no matter what,

**Em**  
I won't go back to who I was  
**D** **Am** **D**  
And watch you will be there, oh no  
I'll tell you

(CHORUS)

**G** **D**  
Why I can't be your lover?  
**Em** **D** **Am**  
I'm too bright to shine under clouds  
**D**

You won't turn me down

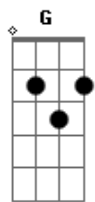

**G** **D**  
One day when he discover,  
**Em** **D** **Am**  
How bright I try to love you now

**D**  
I won't be around

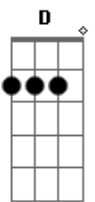

It's too late

**G**  
Your loss, I'm found
