

# Jessie Reyez - Apple Juice

tom:  
F  
[Verse 1]

F  
Broken home baby  
I can never blame you

Gm  
No one ever taught you how to love right  
No one ever taught you how to stand by

Bb  
When it's uphill  
F  
And more times this love is just uphill

[Verse 2]  
F  
You're always fighting something  
You never stop running

Gm  
You don't even bother tryna keep your smile  
Let me take you back, boy let me try

Bb  
We might be alright  
F  
Perfect ain't coming but we'll be alright

[Chorus]  
F  
You just gotta, just gotta love me  
Don't let goodbyes come too easy

Gm  
Love me, just let me know that you need me  
Bb F F  
Love me, I'll teach you how to love me, love me

[Verse 3]

F  
Broken home baby  
I can never hate you

Gm  
Even though you're draing my soul out of my eyes  
Even though you had me crying every night

Bb  
I see you're trying  
F  
I'm grateful 'cause I see you're trying

[Verse 4]

F  
I know I know I know I know why I shouldn't stay  
Gm  
But I'm stuck tryna save you from you  
Bb  
And you should know that I'm at your mercy

F  
I've spent my life searching for you  
[Chorus]

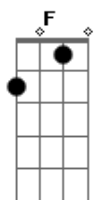

F  
So you just gotta, gotta love me  
Don't let goodbyes come too easy

Gm  
Love me, just let me know that you need me  
Bb F  
Love me, I'll teach you how to love me, love me  
F  
You just gotta, gotta love me

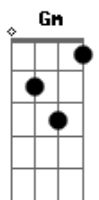

Don't let goodbyes come too easy  
Gm  
Love me, just let me know that you need me  
Bb F  
Love me, I'll teach you how to love me

[Final]  
F Gm Bb F  
I'll teach you how to love me
