I don't really wanna fight (nah)
E7
I just wanna spend the night (yeah)
E7
But I don't wanna spend the night
Gbm
Actin' out "Love the Way You Lie"
Gbm
But the shit just went awry
E7
Hit me in the eye, bit me in the thigh, then begin to cry
E7 Gbm
I'm at the end of my wits, let's end this, ma (It's over)
Gbm
Then begin again tomorrow
Gbm
Fresh start, let you spoil me
E7
Pledge your loyalty, treat me like a king
E7
Just to fuck me over royally
Gbm
Boy, are we water mixed with oil
Gbm
See another shouting match, 'bout to have it out
E7
But no matter how mad I get, I'm so mad about you
Gbm
Forgot what I was even mad about
Gbm
I know we've had our challenges still
E7
I keep trying to salvage it, you
E7
Wanna sabotage it, I'm down to the hill
Gbm
But you think I'm fucking around on you, chill
Gbm
It never changes, I doubt if it will
E7
Cheat on me, then say "How does it feel?"
E7
I feel like blowing my fucking head off
Gbm
After I write you out of my will
Gbm
Bitch, how could you?
Gbm
Almost had a child wit' you
E7
Woulda settled down wit' you
E7
Now I'll put you in the ground and bury myself wit' you
Gbm
I don't get you, it's as if you're drowning
Gbm
I stick my hand out, but you fool me
E7
You're just trying to pull me down wit' you (Down wit' you)
E7
Thought it was you my world revolve around
Gbm
I should aim a revolver round at you
Gbm E7
180 proof, guess I'm making my way to the roof
E7
You're a traitor, I say that we're through
Gbm
You hop in the elevator, then you
Gbm
Say the coffin, they better make it for two
E7

'Cause if you jump, I'm jumpin' with you
And neither one of us have nothing to lose but each other
We're just a couple of fools
[Refrão]

You make me wanna jump off the roof
'Cause I love you to death, just like a fool
We'll need a coffin, handmade for two

'Cause I love you to death, just like a fool
You make me wanna jump off the roof
'Cause I love you to death, just like a fool
We'll need a coffin, handmade for two
'Cause I love you to death, just like a fool
Just like a fool
Just like a fool
