

# Jessie Reyez - Imported (feat. 6LACK)

Tom: **G**

[Verso 1]

**D**  
Hi, my name is "Doesn't matter"  
**D**  
I like making bad decisions  
**Am**  
Let's wake up like nothing happened  
**Am**  
If we do it, say we didn't  
**G**  
If your friends ask if you hit it  
**G**  
You can tell 'em, I'll admit it  
**G**  
I'll wear that shit like a badge  
**G**  
'Cause I know that I got that kitty

[Refrão]

**D** **Am**  
You, you're in love with somebody else  
**G**  
Maybe I could offer some help  
**G**  
Get over them by gettin' under me  
**D**  
But you might O.D. if you get too much of me  
**Am**  
O.D. if you get too much of me  
**G**  
O.D. if you get too much of me, yuh

[Verso 2]

**D**  
Hi, my name is "Not important"  
**D**  
I'm not from here, I'm imported  
**Am**  
I drink liquor like it's water  
**Am**  
Hope my liver can afford it  
**G**  
I'm a lion, hear me, hear me  
**G**  
I've been lyin' here, I'll be lyin' here  
**D**  
I'm under the covers like, "What happened here?"  
**D**  
Ain't nothing sacred  
**Am**  
Shit that got me fucked up is  
**Am**  
I know that dude just saw me naked  
**G**  
Nursing a broken heart  
**G**  
But who'd've thought it'd take me ages?  
**G**  
I ended up here 'cause my girl said, "Fake it 'til you make it"

[Refrão]

**D**  
You, you're in love with somebody else  
**Am**  
Maybe I could offer some help  
**G**
