

Jessie Ware - Say You Love Me

Tom: G

Intro: G C G

Say you love me to my face

I need it more than your embrace

Just say you want me, that's all it takes

Heart's getting thorn from your mistakes

'Cause I don't wanna fall in love

If you don't wanna try

But all that I've been thinking of

Is maybe that you're mine

Baby it looks as though we're running out of words to say

And love's floating away

Just say you love me, just for today

And don't give me time 'cause that's not the same

Want to feel burning flames when you say my name

Want to feel passion flow into my bones

Like blood through my veins

'Cause I don't wanna fall in love

If you don't wanna try

But all that I've been thinking of

Is maybe that you're mine

Baby it looks as though we're running out of words to say

And love's floating away

Won't you stay?

Won't you stay?

Slowly slowly you run for me

But do you know me at all?

Some one told me love controls everything

But only if you know!!

'Cause I don't wanna fall in love (no, no, no, no)

If you don't wanna try

But all that I've been thinking of

Is maybe that you're mine (mine, mine)

'Cause I don't wanna fall in love

If you don't wanna try

But all that I've been thinking of

Is maybe that you're mine

Baby it looks as though we're running out of words to say

And love's floating away

Won't you stay?

Won't you stay?
