Blues From a Gun

by William Reid and Jim Reid
Intro: chords:

Gb   A   E

Intro: Gb / Gb / / Gb repeat as necessary
Easy to do: Start with the Gb and slide up to A and down to E

Verse chords:

Gb   B   Db   E   E (barre)

Gb
I don't care about the state of my hair

        B
I get something out of nothing that just wasn't there

        Gb   E   Gb
And your kiss kiss kiss is never gonna blow me away

Gb
Dreams of escape keep me awake

     B
I'm never gonna get out and make it away

     Gb   E   Gb
I'm a stone dead tripper dying in a fantasy

        B
Like a cracked open sky it helps you to die

                                              Gb
Don't split it, scrape it - you're screamin automatic pain

        E
You're too young kid you're gonna get hit

                                                    Gb
Looks like you're never gonna make it off the government list

Chord instrumental:

B   Db   E (barre)   B   Gb

Repeat intro

Gb
I don't mind about the state of my mind

              B
But you know it's good for nothing and I left you behind

        Gb   B   Gb
It's a sick sick city but it's never gonna make me insane

Gb
If you're talking for real then go cut a deal

        B
You're facing up to living out the way that you feel

        Gb   B   Gb
And you shake shake shake cuz you know you'll never make it
away

        B
Like a cracked open sky it helps you to die

                                              Gb
Don't split it, scrape it - you're screamin automatic pain

        E
You're too young kid you're gonna get hit

                                                    Gb
Looks like you're never gonna make it off the government list

Instrumental chord stuff (sorry. no lead tab)

Gb   B   Db   Gb
Well I guess that's why I've always got the blues
        B   Db   Gb
Yeah I guess that's why I've always got the blues

Acordes
