

The Jesus And Mary Chain - The Hardest Walk

Tom: Eb

I never thought that this day would ever come
 When your words and your touch just struck me numb

Oh and it's plain to see that it's dead
 The thing swims in blood and it's cold stoney dead...

It's so hard not to feel ashamed of the loving living games
 we play each day

(solo base) Eb Ab Eb Ab Eb Ab Bb

And I'm stuck in a shack down the back of the sea
 Oh and I'm alive and I'm alone inside a sick sick dream

Oh is it me? Is it me that feels so weak?
 I cannot deceive but I find it hard to speak...

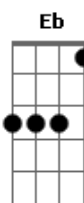

The hardest walk you could ever take, is the walk you take
 from "a" to "b" to "c"

I ... walk ... oh honey I ... talk
 Don't want you to ... want me ... don't want you to ... need

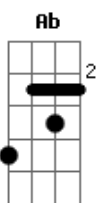

me
 Don't want you to ... need me ... don't want you to ... need

me
 And I walk
