Healing cripples raising from the dead
                                                                               Fb

And now I understand you're God... at least that's what you've I'm dying to be shown that you are not just any man
                                                               So if you are the Christ yes the great Jesus Christ

                                                               Bh
That's all you need do and I'll know it's all true
                                                               Or has something gone wrong? Why do you take so long?
Come on, King of the Jews!

                                                                   D7

Oh, what a pity if it's all a lie

Still I'm sure that you can rock the cynics if you try
                                                               Take him away - he's got nothing to say
So you are the Christ you're the great Jesus Christ
                                                               Get out you King of the...

Prove to me that you're no fool - walk across my swimming pool G
                                                               Get out you King of the Jews! Get out you King of the Jews
                               B7
If you do that for me then I'll let you go free
                                                                    Get out of my life
