

Jesus Culture - No Other Like You (We Will Exalt You)

Tom: **Bb**

You were innocent and condemned, broken and you bore our sins
Laid your life down
Through the sacrifice of your son, the power of death was overcome,
Laid your life down on the cross

Chorus

There's no other like you, nothing compares to your great love

Highly exalted, forever seated on the throne

Post Chorus

We stand in awe of you, we stand in awe of you
Nothing else compares God we stand in awe of you
By the blood of christ we boldly come
All of heaven welcomes us lord we thank you for the cross

We will exalt you fore-ver, forever
We will worship fore-ver, forever
