Verso 1:

Bm A D
I'm afraid to land
The ground has shifted from under my feet
Please try to understand
Overnight I'm incomplete
There are strangers in
This place I used to know
I've been holding in
All the things that would make you ashamed of me

Refrão:

G Bm
I want to go
A To the place where the trees have watched me grow
Gbm Em G Bm
I ran away and I ain't got a thing to show
A I went away and now I can't call you home, Anywhere

Verso 2:

Bm A D

Our summers burned long and bright and bright

The world was three and an old TV

Oh we would scream and fight

But in the morning it would be alright

Each day was a game to play cos

Fate still didn't know our names

Thought we'd be forever that way

Thought we'd be forever that way

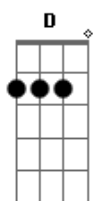

Ponte:

Bm A
I used to run around , hoping to be found somewhere new
G Gbm
But now I know the truth was there before you
Bm A G
The years dissolved into seconds as I looked in her eyes
She flew away
