

# Jet - Move On

Tom: G

ENTRA VIOLÃO

G C G C

Well I been thinking about the future

But I'm too young to pretend

It's such a waste to always look behind you

Should be lookin' straight ahead

Yeah, I'm gonna have to move on

Before we meet again

Yeah, it's hard

If you had've only seen

10.34: Finders Street Station

I'm lookin' down the tracks

Uniformed man askin' am I paid up

Why would I wanna be that?

Yeah, I'm gonna have to move on

Before we meet again

Yeah, it's hard

If you had've only seen

Take control

Don't be afraid to me

(G C ) 4x

'Cause every once in a while

You thing about if your gonna get yourself together

You should be happy just to be alive

And just because you just don't feel like comin' home

Don't mean that you'll never arrive

Yeah, I'm gonna have to move on

Before we meet again

Yeah, it's hard

If you had've only seen

Take control

Don't be afraid of me
