Jet - Shine On

Tom: D

```
   D                  Gbm
Please don?t cry
                Bm                   A
You know I?m leaving here tonight
D               Gbm                              G             A
Before I go I want you to know that there will always be a
light

Bm                       Bm
And if the moon had to runaway
 G                        D
And all the stars didn?t wanna play
       Bm                  A
Don?t waste the sun on a rainy day
     G                     D       E    G
The wind will soon blow it all away

G        D                Gbm
So many times I?d tried
            Bm                   A
To be much more than who I am
D                                Gbm                G
A
And if I let you down I will follow you 'round until you
understand

Bm                       Bm
That if the moon had to runaway
 G                        D
And all the stars didn?t wanna play
       Bm                  A
Don?t waste the sun on a rainy day
     G                     D       E   G
The wind will soon blow it all away

G         D                  A
When the days all seem the same
                Bm       A      G
Don?t feet the cold or wind or rain
      D              A
Everything will be okay
         Bm     A       E
We will meet again one day
        Bm    A      G      D        Bm - A - G - D

I will shine on, for everyone

D                    Gbm
So please don?t cry
              Bm                        A
Although I leave you here this night
D                      Gbm
Where ever I may go how far I don?t know
               G              A
But I will always be your light

Bm                       Bm
That if the moon had to runaway
G                         D
And all the stars didn?t wanna play
       Bm                  A
Don?t waste the sun on a rainy day
     G                     D       E   G
The wind will soon blow it all away

G         D                  A
When the days all seem the same
                Bm       A       G
Don?t feet the cold or wind or rain
       D              A
Everything will be okay
         Bm     A       E
We will meet again one day
        Bm   A      G      D
I will shine on, for everyone
        Bm   A       G     D    E    G
I will shine on, for everyone

G          D                A
When the days all seem the same
                Bm       A       G
Don?t feet the cold or wind or rain
       D              A
Everything will be okay
         Bm    A        E
We will meet again one day
        Bm   A      G       D
I will shine on, for everyone
        Bm   A      G       D    Bm - A - G - D
I will shine on, for everyone
