letra:

As I did walk by Hampstead Fair  
 I came upon Mother Goose - So I turned her loose -  
 she was screaming.  
 And a foreign student said to me - was it really true there  
 are  
 elephants and lions too in Piccadily Circus?  
  
 Walked down by the bathing pond to try and catch some sun.  
 Saw at least a hundred school girls sobbing into handkerchiefs  
 as one.  
 I don't believe they know I was a schoolboy.  
  
 And a bearded lady said to me - if you start your raving, and  
 your misbehaving -  
 you'll be sorry.  
 Then the chicken-fancier came to play -  
 with his long red beard (and his sister's weird:  
 She drives a lorry).  
  
 Laughed down by the putting green - I popped 'em in their  
 holes.  
 Four and twenty labourers were labouring - digging up their  
 gold.  
 I don't believe they know I was Long John Silver.  
 Saw Johnny Scarecrow make his rounds  
 in his jet-black 'mac (which he won't give back) -  
 stole it from a snowman.
