I watched the sunset  
**Bm** **Am**  
It set behind me  
**Bm** **C**  
And I traced the clouds with my fingertips  
**Bm** **C**  
As night fell up on me  
**Bm** **C**  
You're always in my head  
**Bm** **C**  
I'm always in my head  
**Bm** **C**  
You're always in my head  
**Bm** **C**  
I'm always in my head  
**Bm** **C**  
(You're always in my head)
